Good afternoon,

Please

1. Find enclosed "ProSeLitigantE-Noticing...executed"
2. advise whether or not it is still necessary to mail a copy of this E-Noticing Registration Request for Pro Se Litigants to the US District Court in the EDVA via United States Postal Service

According to p. 7 of the enclosed "EDVACOMLETE ProSeHandbook-11-1-17"

"pro se litigants who are not currently incarcerated have the option to receive documents in their cases electronically (by e-mail) instead of by regular mail...."

Receiving documents by regular mail is still an option, but if you would rather receive them only electronically, you must do the following:

1. Sign up for a PACER login and password by contacting PACER at www.pacer.uscourts.gov or calling 1-800-676-6856 (PACER stands for Public Access to Court Electronic Records which is an electronic public access service that allows users to obtain case and docket information from federal appellate, district, and bankruptcy courts, and the PACER Case Locator over the internet.); **Done: Pacer Login: jacobqueern:5621966:0** and
2. Complete and sign the E-Noticing Registration form. **(attached)**

Pursuant to the enclosed "19_09_16_1024_USFC_Norfolk_CaseMgr_Pacer&status inq" my case manager had informed me previously that thumb (a.k.a flash) drives would be an acceptable vehicle for the submission of exhibits especially in lieu of the voluminous nature of my submissions.

I think I read somewhere that Compact Discs would be an acceptable vehicle for the submission of exhibits but as you can hear me state in "19_09_16_1024_USFC_Norfolk_CaseMgr_Pacer&status inq" the vast majority of work stations are not equipped with CD drives as it is antiquated technology.

Thank you for your consideration and I look forward to your feedback.

Jake

E-Noticing

Although pro se litigants are prohibited from filing documents electronically and are not issued ECF filing log ins and passwords, pro se litigants who are not currently incarcerated have the option to receive documents in their cases electronically (by e-mail) instead of by regular mail.

Note: Social Security and Civil Immigration case documents (with the exception of orders of the court) are restricted from remote electronic access for non-filing users. If a pro se litigant is granted approval for E-Noticing in a social security or civil immigration case, then the pro se litigant must still receive documents either on paper or via email from opposing counsel for cases with social security or civil immigration causes of action.

Receiving documents by regular mail is still an option, but if you would rather receive them only electronically, you must do the following:

1. Sign up for a PACER login and password by contacting PACER at www.pacer.uscourts.gov or calling 1-800-676-6856 (PACER stands for Public Access to Court Electronic Records which is an electronic public access service that allows users to obtain case and docket information from federal appellate, district, and bankruptcy courts, and the PACER Case Locator over the internet.); and
2. Complete and sign the E-Noticing Registration form.

If you consent to receive documents electronically and the request is approved by the judge, you will receive a *Notice of Electronic Filing (NEF)* by e-mail each time a document is filed in your case. After receiving the notice, you are permitted one “free look” at the document by clicking on the hyperlinked document number in the e-mail. Once you click the hyperlink and access the document, you will not be able to access the document for free again. After 15 days, the hyperlink will no longer provide free access. Any time the hyperlink is accessed after the “free look” or the 15 days has expired, you will be asked for a PACER login and will be charged to view the document. For this reason, *you should print or save the document during the “free look” to avoid future charges.*
